

# Services for Government Organizations

## Sibley is your single source disability solution

As a government organization, no matter where your disability issues fall along the healthcare continuum – from prevention to management to resolution – Sibley solves your disability problems through connected thinking to provide a single source disability solution.

### Prevent

**Customized Educational Programs** - tailored to best fit your existing practices to enhance file management.

### Manage

**Immediate Intervention** – immediate access to registered healthcare professionals and medical specialists so issues do not escalate into complex situations.

**Comprehensive Management & Resolution** – Sibley has everything you need throughout the entire rehabilitation process: Medical Assessment and Diagnostic Testing, Occupational Therapy, Physiotherapy, Kinesiology, Chiropractic Services and Vocational Services.

**Specialized Services** – tailored to special needs like catastrophically-injured individuals, older adults, and paediatric populations.

### Resolve

**Best Coverage & Turnaround** - advantages like registered health professionals nationwide and adaptable information technology solutions customized to your environment ensures Sibley has the solutions you need right now – wherever you need them.

**Quality Assurance** – expertise gained since 1992 translates into an efficient approach to service delivery that has earned Sibley ISO Registration, including customized service standards, adherence to Privacy Legislation and dedicated Account Managers.

Sibley offers more solutions than any other provider and we are the only provider that backs every service delivery promise with quantitative outcome-based reports demonstrating how much money you save each year.
